

Winchester Speedway Old Timers

-2014 EVENT T-SHIRT ORDER FORM-

Old Timers Reunion T-shirts available this year will have an Old Timers graphic on the front and on the back will be a list of all reunion participants. The vintage race car entrant's name shown on the registration form will automatically be added to the name list on the back of the shirt regardless of whether the entrant orders a shirt, and other participants (crew, family, friends) who purchase an event T-shirt will have their names added, too. Use this form to (1) order shirts for the official entrant if desired, and (2) list additional participants to be added to the back of the shirt and order shirts for those additional participants.

Racers at Rest, under the auspices of the National Sprint Car Hall of Fame and Museum Foundation, seeks to ensure that all open-wheel racers who died in a race car have their final resting places properly marked. Of the 1500+ racers killed in the United States approximately 40 rest in anonymity in unmarked graves. To subscribe to the free Racers at Rest newsletter, delivered via .pdf format to your email address, send an email to racersatrest@gmail.com with the word "subscribe" in the subject line.
